

Educating for Dental Excellence

Fees and Information

We know what you're thinking – “Here’s all the boring legalese before I can sign on the dotted line.” True, there’s a whole lot of information about the registration fees, conditions and entitlements, but we’ve made it as plain and simple as possible. If you have any questions, please contact the Congress Management Team at **FDIWDC2023@ada.org.au**.

Registration

Please read through this information carefully before you complete the Registration process.

The Important Stuff

What you need to know and acknowledge before you register:

- If you're going to attend and participate in Congress and its Exhibition you must register. No matter how many of you are coming along, each person must fill out their own registration form unless part of a Practice Registration – which will be made available shortly.
- You must register as the profession you hold i.e. if you're a dentist, you must register as a dentist. That goes for partners or spouses with professional qualifications.
- Students – you need to have a valid ID card at the time of Congress.

Registration Fees *(includes taxes, as applicable)*
